

## Information for POSTER Presenters

### Poster Size:

The **poster** shall be printed in the size DIN A1, 84 centimeters high and 59,4 centimeters wide.

Posters have to be prepared in **English language** and **formatted/printed according to specific guidelines**.

Furthermore, the World Congress has organised a convenient **poster printing service**, so you do not need to carry the poster all the way to Krems with you.

Find all information about **format requirements** as well as about the **poster printing service** here:  
<http://www.musictherapy2014.org/poster-guidelines-printing-service/>

### Format of the poster sessions:

All accepted posters will be accessible to the participants in the poster area, located **within the lunch break area** in Wing A – Audi Max, on specific days according to the Poster Session they are scheduled in.

The poster sessions will take place as follows:

**Poster Session 1:** Tuesday, July 8, 2014 – 13:15 – 14:00

**Poster Session 2:** Wednesday, July 9, 2014 – 13:45 – 14:30

**Poster Session 3:** Thursday, July 10, 2014 – 13:15 – 14:00

The poster session will be announced each day (Tuesday, Wednesday & Thursday) via a microphone at the beginning of the respective session. **No individual announcements of posters are made.**

All presenters are asked to stand next to his/her poster/s during the given time period to answer questions from or explain the poster in more detail to interested participants.

There is **no set sequence of poster presentations** as this would not be possible in this limited time slot – so not every poster will, necessarily, be personally presented. Only if there are interested participants who ask the presenter for it.

### Mounting and dismantling times:

#### Posters from Poster Session 1 and 2:

Mounting time: Tuesday, July 8th, 2014, between 10:00 and 13:00
